

et\_module::avrx\_x

```
graph LR; A[et_module::avrx_x] --> B[et_module::intx_x]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'et\_module::avrx\_x'. The right box is white with a black border and contains the text 'et\_module::intx\_x'. A blue arrow points from the right side of the left box to the left side of the right box.
